VALUES

Quality:

We are dedicated to delivering products and services that meet or exceed industry standards, ensuring customer satisfaction and loyalty.

Integrity:

We conduct business with honesty, transparency, and ethical practices, earning the trust of our clients and partners.

Safety:

The safety of our employees, clients, and the environment is of utmost importance to us, and we adhere to strict safety measures in all our operations.

Innovation:

We embrace innovation and continuously seek better ways to improve our offerings and processes, staying ahead in a rapidly evolving market.

Sustainability:

We are committed to sustainable business practices that have a positive impact on society and the environment

COMPANY PROFILE

Introduction:

Abaan International Trading and Services is a premier provider of electrical cables, accessories, and electrical cable installation services in the State of Qatar. With a legacy of excellence spanning four decades, our founder's extensive experience in the Qatari market has positioned us as a trusted partner for clients seeking top-quality electrical solutions. As part of a dynamic group of companies, Abaan International is committed to delivering unmatched value to a diverse range of industries, including oil and gas, hospitality, and building and infrastructure sectors in both Qatar and Iraq.

Founding Principles:

Abaan International Trading and Services was founded on the principles of quality, reliability, and innovation. With over 40 years of experience in the Qatari market, our founder possesses a deep understanding of the local business landscape and has successfully diversified their business interests across various sectors.

DIVISIONS

ELECTRICAL DIVISION

Electrical Cables and Accessories:

We offer an extensive range of electrical cables and accessories, sourced from reputable manufacturers worldwide. Our commitment to quality ensures that our products meet international standards and adhere to the highest safety protocols.

Our product portfolio includes power cables, control cables, instrumentation cables, and a wide range of electrical accessories, catering to the unique requirements of our clients.

Electrical Cable Installation Services:

Abaan International excels in providing professional electrical cable installation services, combining technical expertise and state-of-the-art equipment. Our dedicated team ensures that every project is executed with precision and efficiency. We have a proven track record in installing electrical cables for various applications, including industrial complexes, commercial buildings, and infrastructure projects.

Our Group's Diverse Business Interests:

Abaan International Trading and Services is a proud member of a prominent group of companies that operate across a multitude of sectors. This diverse business portfolio enables us to leverage synergies and offer comprehensive solutions to our clients in Qatar and Iraq. Our group's primary areas of focus include:

Oil and Gas Companies: We provide specialized services and products to support the energy sector, including electrical solutions for drilling, refining, and distribution and Piping Solutions for refineries and factories.

Hospitality: Our group is actively involved in the hospitality industry, offering services and products that enhance guest experiences and improve operational efficiency.

Building and Infrastructure: We play a vital role in the development of Qatar and Iraq's infrastructure by supplying essential products and services for construction projects, ensuring they meet the highest standards of quality and safety.

Our Commitment:

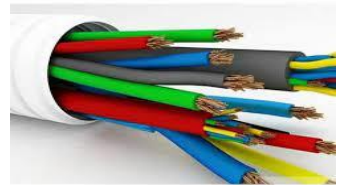

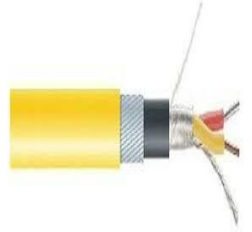

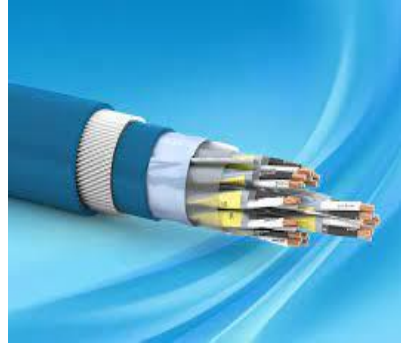

At Abaan International Trading and Services, we are committed to exceeding our clients' expectations by consistently delivering high-quality electrical products and services. Our team of experts is dedicated to providing innovative solutions that meet the evolving needs of the market. We pride ourselves on our integrity, professionalism, and unwavering commitment to safety and environmental sustainability.
